From any of those lots, take the free downtown shuttle or, on weekends, take the electric tram from Gott’s, Whitmore and the state garage on Bladen Street.

On Street Residential Parking

CHANGES TO DOWNTOWN ON-STREET

PARKING: In response to concerns of downtown residents, who want on-street parking protections, the City is making residential areas in the historic district paid parking for those without a resident sticker.

Park mobile signs have gone up indicating that on-street parking in those zones is now **PAID** two-hour parking.

Those who do not live in those parking districts are encouraged to download the **ParkMobile app**. Parking can also be paid by texting “PARK” to 77223.
